Is the dissatisfaction greater
than the resistance ?

Everyone matters

Innovation

1. Digitalisation and the use of technology for productivity

- Digital Roadmap – WHY, (NOT) where, when and how
- BIM
 - Update BIM Handbook
 - Align with ISO and NZCIC Guidelines
 - Connect back into procurement
- Data Sharing Standards
- Capability Building

Digital Group
held by NZIOB

Innovation

2. Modern Methods of Construction

- Demand lead strategy

*Government Portfolio's
CHPs and Retirement*

- Procurement

Due Diligence and contracting

- Interoperability

Definitions, data sharing, supply chain

- Skills

Innovation

3. Accelerator and Piloting

Support the innovation ecosystem

We need your idea
We need your stories
We need your challenges
We need you to add to the glue

Thank you.
